Latin American art is the combined artistic expression of South America, Central America, the Caribbean, and Mexico, as well as Latin Americans living in other regions.. The art has roots in the many different indigenous cultures that inhabited the Americas before European colonization in the 16th century. The indigenous cultures each developed sophisticated artistic disciplines, which were ...

The term "Latin America" primarily refers to the Spanish and Portuguese-speaking countries in the New World. Before the arrival of Europeans in the late 15th and early 16th centuries, the region was home to many indigenous peoples, a number of which had advanced civilizations, most notably from North to South; the Olmec, Maya, Muisca and Inca.
