The therapeutic management of psychiatric patients in the emergency department is an important and complicated issue. Emergency Nurses Association (ENA) - Psychiatric Patients in the Emergency Department

Emergency Nurse Resources - American Psychiatric Nurses

Emergency nursing is a specialty within the field of professional nursing focusing on the care of patients with medical emergencies, that is, those who require prompt medical attention to avoid long-term disability or death. Emergency nurses are most frequently employed in hospital emergency departments (EDs), although they may also work in urgent care centers, sports arenas, and on medical ...

Best Nursing Degree. Best Nursing Degree Scholarship. Awarded quarterly, this scholarship gives \$2500 to entry level nursing students or nurses who are attending school to expand their practice.

Grants & Scholarships - American Psychiatric Nurses

In Ontario, there are two basic types of nurses: registered nurses (RNs) must have a BSc in nursing, 4 years of university for entry to practice; while registered practical nurses (RPNs) must have a 2- year diploma program for entry to practice. Many registered nurses were grandfathered in when this change occurred and have completed 2- and 3- year diploma programs.
