An Atlas of Interpretative Radiographic Anatomy of the Dog

Covering the full spectrum of patient safety and risk reduction, this text builds from the fundamentals of the science of safety, to a thorough discussion of operational issues and the actual application of the principles of research. Real-life case studies included.

Patient Safety Handbook - Jones & Bartlett Learning

Shared book reading is a literature based language intervention that works well with children with language difficulty. literature based intervention is an effective way of teaching students language and literacy skills. Speech-language pathologists who use this method don't actually teach reading skills, or decoding skills. Instead, they focus on the underlying language that underpins all ...
