Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...

The London Business School was founded in 1964 under the name of the 'London Graduate School of Business Studies', with Dr. Arthur Earle as Dean. In 1965, the school was registered as a company and was designated by the University of London as an institution having recognised teachers. In 1966, the first Executive Development Programme was launched, followed by the Senior Executive Programme.
