How to Download From Am-Medicine - PDF Medical Books

Any research project that prospectively assigns human participants to intervention or comparison groups to study the cause-and-effect relationship between an intervention and a health outcome.

Instructions for Authors | JAMA Psychiatry | JAMA Network

Political abuse of psychiatry is the misuse of psychiatric diagnosis, detention and treatment for the purposes of obstructing the fundamental human rights of certain groups and individuals in a society. It entails the exculpation and committal of citizens to psychiatric facilities based upon political rather than mental health-based criteria. Many authors, including psychiatrists, also use the ...

We've tried to answer some of the most common questions about my work and beliefs here. Please read through these FAQs.

FAQs | Dr. Caroline Leaf

That HIV causes AIDS has been the officially sanctioned view for about 3 decades, believed almost universally but questioned openly by thousands of people. A comprehensive reading of the mainstream literature together with analysis of mainstream data demonstrates conclusively that HIV is neither a necessary nor a sufficient cause of AIDS.
