Workplace bullying is a persistent pattern of mistreatment from others in the workplace that causes either physical or emotional harm. It can include such tactics as verbal, nonverbal, psychological, physical abuse and humiliation. This type of workplace aggression is particularly difficult because, unlike the typical school bully, workplace bullies often operate within the established rules ...

We describe the new dialogic organization development (OD) fleshed out by Bushe & Marshak (2009). In comparing this approach with the old diagnostic OD, we explore the limitations of Lewin's (1947) unfreeze-change-freeze model for depicting organizational change over time. We develop an approach that more fully approximates an adequate temporal model of change by incorporating attention to ...
