Corruption. It is an overloaded word often used as the sole cause of the problems in poor countries. Yet, corruption seems to be everywhere, indeed often encouraged by rich countries and their corporations, especially when it comes to natural resources, and arms trade.

Corruption – Global Issues

Political corruption is the use of powers by government officials or their network contacts for illegitimate private gain. An illegal act by an officeholder constitutes political corruption only if the act is directly related to their official duties, is done under color of law or involves trading in influence.. Forms of corruption vary, but include bribery, extortion, cronyism, nepotism ...
