En esta primera explicación obviaremos macros y códigos VBA, centrándonos en las herramientas estándar de las que disponemos en Excel 2007.

Cómo asociar una imagen al valor de una celda en Excel

Making Things Happen is the classic bestseller on managing and leading project teams, known for its honest, funny and insightful approach to what is often a deadly boring subject. Based on Berkun's nine years of experience as a program manager for Microsoft's biggest projects, Berkun explains to technical and laypeople alike what it takes to lead critical projects from start to finish.

The book: Making Things Happen | Scott Berkun

Thank you for stopping by. Google Reader has been discontinued. We want to thank all our loyal fans. We understand you may not agree with this decision, but we hope you'll come to love these alternatives as much as you loved Reader.. Sincerely,
