RockBros Bike Tools (EN) Sooner or later we all will be in a situation where our bike needs some minor repair. If you have the RockBros Cycle Tool in your gear, you can save on your travels a lot of time, money and hardship. RockBros is a set of tools in mini-version in the form of a folding knife, which takes up very little space but saves a lot of trouble and is therefore an important tool on ...

A transmission is a machine in a power transmission system, which provides controlled application of the power. Often the term transmission refers simply to the gearbox that uses gears and gear trains to provide speed and torque conversions from a rotating power source to another device.. In British English, the term transmission refers to the whole drivetrain, including clutch, gearbox, prop ...
