and Jakobson and Halle (1956), who reduce synecdoche to metonymy. Finally, a third view is that metonymy and metaphor are quite different, a view that has been advanced by Lakoff and

Metonymy and Metaphor - ACL Member Portal

Metaphor and metonymy are similar in various aspects but the major difference is that if a metaphor substitutes a concept with another, a metonymy selects a related term. So, if metaphor is for substitution, metonymy is for association. For example, the sentence "he is a tiger in class"™ is a ...

Metaphor (drawing a similarity between two things) and metonymy (drawing a contiguity between two things) are two fundamental opposite poles along which a discourse with human language is developed.

Metaphor and metonymy - Wikipedia

Both metonymy and metaphor involve the substitution of one term for another. In metaphor, this substitution is based on some specific analogy between two things, whereas in metonymy the substitution is based on some understood association or contiguity.
