

### **the consulting firm of pdf**

A consulting or consultancy firm is a business of one or more experts (consultants) that provides professional advice to an individual or an organization for a fee.. Consultancy firms target company executives and provide them with consultants, also known as industry-specific specialists and subject-matter experts, usually trained in management or business schools.

### **Consulting firm - Wikipedia**

Management consulting is the practice of helping organizations to improve their performance, operating primarily through the analysis of existing organizational problems and the development of plans for improvement.Organizations may draw upon the services of management consultants for a number of reasons, including gaining external (and presumably objective) advice and access to the ...
