Free Think Think English English The Curriculum Project

Well, you see – now you can use this fact to your advantage and make your brain THINK in English by SPEAKING English. The speech process is so closely bound to your thoughts that it will make it quite hard for you to think in your native language when you have a steady and controlled speech going on.

How to Develop Your Ability to THINK in English | English

If you want to think in English, you need to make English a part of your daily life.. That's all you need to do. If you use English a lot every day, you'll automatically think in English.

How to Think in English (It's Easy) - engfluent.com

Summer is here! Enjoy it, go to the beach, jump into the sea, look for treasure, hide in caves, look for shelves, go for a walk, travel, play with your friends or make new ones, practice English, spend time with your family, dance, go to the movies, read a book, talk about projects and worlds you have created at school or create a new one... but take advantage of this time to relax so you can ...
